Group Dynamics

Objectives
1) Understanding the basic roles of group dynamics.
2) Realizing how the roles play off of each other, the relationship between different roles. Aiding students in identifying their role in a group.
3) Practicing different group roles in a leadership setting within the classroom.
4) Students will realize their true potential in a variety of group roles, by stepping out of their comfort zone.
5) Students will identify the application of group dynamics in a real life scenario.
6) Students will use group dynamics in conflict resolution.

Outline Agenda
1) Group Dynamics Activity (Choose one)
   a. Log Game
   b. Tallest Tower
   c. Blanket Game
2) Defining Group Dynamics
3) Pin the Tail on the Role
4) Timed Decision Making

“That is the paradox of the epidemic: that in order to create one contagious movement, you often have to create many small movements first.”
-Malcolm Gladwell
