Self-Awareness

Objectives
- Students will identify effective leadership characteristics.
- Students will understand the difference between trait and behavioral leadership theory.
- Students will identify personal strengths and weaknesses.
- Students will identify their personal values.
- Students will understand the importance of the above two objectives and self-awareness when it comes to leading.

Outline Agenda
- Characteristics of an Effective Leader
- Trait vs. Behavioral Leadership Theory Debate
- Plucking at my Heartstring
- Values to the Core
- Strife (Existential Leadership Theory)
- Passion Pitch

“You've always been what you are. That's not new. What you'll get used to is knowing it.”
-Cassandra Clare
Clockwork Angel
