Saturday Session:

Introduction to LEAD & Power of One

Objectives

1) Students should become familiar with the LEAD program.
2) Students should begin defining leadership, characterizing leaders, and reflecting on the personal significance of the two.
3) Students should develop an understanding of personal potential and the capability of individuals in the world (the power of one theory).
4) Students should understand the importance of leaders and social responsibility.
5) Students should begin considering their own personal abilities and passions.
6) Students should create a time capsule letter about what leadership and power of one are to them.
